

2011 Kawartha Awards of Distinction

Peterborough & The Kawarthas Home Builders Association will be holding its 9th annual event on Friday, November 18, 2011 at the Holiday Inn Peterborough Waterfront. The Committee is planning a spectacular event this year with great entertainment and celebration for all!

PKHBA's Kawartha Awards of Distinction are important not only for the way in which they recognize the highest levels of achievement in the home building industry, but also for their ability to showcase in which all association members may exchange the latest ideas. Winners represent the pinnacle of achievement within the industry. Large or small company, the Awards of Distinction honour the visions of some of the area's most creative builders, renovators, designers and marketers.

GOLD SPONSORSHIP OPPORTUNITY

While the location and entertainment are important, the overall success of the event depends on your help and sponsorship. There are several Gold Sponsorship categories still available at a cost of \$800.00 each. Also, Builder of the Year and Renovator of the Year Gold Sponsorships are available at \$1,000 each. Gold sponsors are entitled to the following:

- * 2 complimentary tickets to the PKHBA Awards Gala.
- * "*Supported by GOLD sponsor*" with logo will appear in the Awards Ceremony Program along with other sponsors, as well as presentation screen.
- * Each Gold Sponsor will be identified with a particular award category on a "first come basis" and will announce the winner from the podium during the ceremony and will have a photo op with the winner.
- * Each Gold Sponsor is listed in the "Events" area of the PKHBA website.
